Hello Jasmine -

We must schedule for these events 3 months in advance - I share that because I would be happy to host but it's just not possible.

Good luck.

Hello -

Happy Friday to everyone. I hope you're all ready for the weekend. I'm just reaching out because we need to find a meeting host for our June 14th meeting at 12 pm. If you have not yet hosted a meeting and are interested in doing so, please let me know ASAP.

Thank you!
